Libraries

22 October 2012 16:48

---

The libraries I use are:

OpenCV

OpenNL, <http://alice.loria.fr/index.php/software/4-library/23-opennl.html>

SuperLU, <http://crd-legacy.lbl.gov/~xiaoye/SuperLU/#superlu>

BLAS, (in theory it shouldn't matter which BLAS. There is BLAS source included with SuperLU which I compiled to make BLAS libraries.)
